Paid Social (Meta) · CRM Automation · Local-Service Lead Gen · English / Spanish Markets · AI-Enabled Systems

SUMMARY

Growth marketing and marketing-automation specialist who turns paid traffic into booked revenue for clinic, wellness, local-service, and B2B brands. Across **12+ accounts** in the U.S. and Canada, managed **\$200K+ in Meta ad spend** and consistently delivered **\$10–\$22 cost-per-lead** (as low as ~\$4 in strong campaigns) — including **~9× an incumbent agency's lead volume at ~75% lower CPL**, an **\$87 → \$11 CPL** turnaround, and **60+ booked appointments in a single month**. Full-stack ownership of Meta Ads, GoHighLevel CRM automation, speed-to-lead, and AI-enabled workflows. Bilingual operator who supports growth strategy and lead conversion for both **English- and Spanish-speaking** audiences.

CORE SKILLS

- **Paid Media:** Meta Ads, Facebook Lead Forms, campaign setup, audience targeting, retargeting, creative testing, direct-response copy, CPL optimization, reporting & attribution
- **Marketing Automation:** GoHighLevel, HubSpot, CRM workflows, lead routing, SMS / email nurture, lifecycle follow-up, pipeline management, booking reminders, reactivation, missed-call text-back
- **Growth Systems:** Landing pages, funnel & conversion-rate optimization, A/B testing, local SEO / AEO, Google Business Profile, WordPress, Google Sheets, Make, Zapier, Slack, ClickUp
- **AI Tools:** Claude, ChatGPT, Claude Code, Codex, AI lead-response & content workflows, RAG knowledge systems
- **Industries:** Medspa, aesthetics, weight loss, tattoo removal, chiropractic, wellness, local services, B2B services

EXPERIENCE

Independent Growth Marketing & Automation Consultant

2022 – Present

Amaro Enterprises LLC · Remote – paid-media + CRM-automation for clinic, wellness, and local-service brands across the U.S. & Canada.

Paid Media & Lead Generation

- Managed **\$200K+ in Meta ad spend across 12+** clinic, medspa, weight-loss, tattoo-removal, local-service, and B2B accounts in the U.S. and Canada, consistently delivering **\$10–\$22 cost-per-lead** (as low as ~\$4 in strong campaigns).
- Outperformed an incumbent national chiropractic agency on the **same client account: 114 leads at \$12.59 CPL** vs. 12 at \$49.81 – ~9× the lead volume at ~75% lower cost per lead.
- Cut a medspa laser campaign from **~\$87 to ~\$10.92 CPL**, and produced body-sculpting leads at ~\$13.51.

- Booked **60+ appointments in a single month** for a weight-loss clinic grand opening, and **120+ in 90 days** for an aesthetic clinic.
- Generated **220 leads at \$22.14 CPL** for a Montreal beauty / wellness brand using bilingual follow-up (41 booked / referral outcomes).
- Built and ran **bilingual English / Spanish (and French)** campaigns and follow-up – reaching audiences most teams can't market to in-language.

CRM & Marketing Automation

- Built **GoHighLevel systems** for lead capture, pipeline management, SMS / email nurture, speed-to-lead, missed-call text-back, booking reminders, reactivation, and reporting – engineered as one integrated system.
- Integrated workflows across GoHighLevel, Close.io, PatientNow, Aesthetic Record, Zenoti, Google Sheets, Make / Zapier, and client booking systems.
- Built and managed a call-center / lead-response operation to improve speed-to-lead and reduce missed-appointment leakage.

AI & Growth Systems

- Built **AI-assisted lead-response and CRM-automation workflows** connecting form fills, SMS / email follow-up, pipeline routing, appointment requests, and speed-to-lead.
- Additional campaigns: B2B lead generation (incl. ~\$4 CPL for a commercial-refrigeration installer), hyper-local event promotion, and recruitment.

Marketing & Operations Lead – Clarity Clean

2021 – Present

Residential service business (Fond du Lac, WI).

- Led **marketing and operations** for a local residential-service business – lead generation, local SEO / AEO, customer follow-up, and service-operations improvements in a real-world SMB environment; proof the same playbook I run for clients performs on a P&L I own.

E-Commerce Operator – Amazon FBA / FBM & eBay

2017 – 2021

Self-employed.

- Built and operated Amazon / eBay stores generating **\$350K+ in sales at a 4.9-star seller rating**, managing sourcing, inventory, fulfillment, customer service, and supplier relationships.

LANGUAGES

Native Spanish · Fluent English · Conversational French – able to support growth strategy, messaging, and lead-conversion systems for both English- and Spanish-speaking audiences, including the under-served U.S. Hispanic market.

EARLIER OPERATIONS EXPERIENCE

Hands-on roles in service and logistics businesses (commercial cleaning, warehouse, hospitality) built practical fluency in speed-to-lead, customer communication, scheduling, and fulfillment – the real-world operating instincts behind how I design marketing systems today.

EDUCATION & CERTIFICATIONS

- Associate's Degree – University of Wisconsin–Oshkosh
- **HubSpot Academy (2026):** Digital Marketing · Data Integrations · Revenue Operations (RevOps)

- **Anthropic AI (2026):** Claude Code 101 · AI Fluency for Small Businesses · Agent Skills · Subagents · Claude Code in Action
